Chief Invigilator. NB: Overflows from any of the assigned venue can be accommodated by P1 and P2 LTs

NOTE THE FOLLOWING:

1. Only students who have paid the prescribed school fees, and possess valid student identity cards are eligible to sit for examinations.
2. Information on the grouping for computer-based examinations should be provided by the respective departments in consultation with the CRPU/ICTU.
3. Report any anomalies such as clashes from students with carry-over courses to the respective departmental time-table officer for possible internal arrangement without necessarily moving the papers and venues.
4. For large courses, students of other faculties outside Physical Sciences may take the examinations in their respective faculties in co-operation with the appropriate department in-charge of the course(s).
5. Practical examinations shall hold in laboratories as arranged by the respective departments.
6. No GSM phone or any other communication device(s) is allowed into the examination venue.
7. Read the relevant portion of the prospectus on the regulations governing the conduct of university examinations.
8. Do not indulge in any form of examination malpractice/misconduct. The minimum punishment for an offender is expulsion from the university.
9. When alleged of any form of examination malpractice/misconduct, please complete and sign the malpractice/misconduct form. Failure to do so would attract additional punishment.
10. Your language should be civil and polite to invigilators/attendants.
11. Please, in your own interest, be warned: stay clear of any form of irregularities.

The Dean wishes you success in your examinations.
